

OKTOBER - NOVEMBER 2019

PROJECT SUPPORT

ASSEMBLY CABLE LAY TENSIONER

THE CHALLENGE

For the assembly of the Pipe Lay Tensioners and Tower, STARKON provided the required resource to complete the project on time. Working 24/7 is required to keep the project on schedule.

THE SOLUTION

STARKON supplied the required resources for both day and night shifts as well as the Foreman who coordinated all teams.

THE RESULT

STARKON has, so far, managed to keep the project within the time frame. The unloading of the barge with bigger parts is on schedule.
