PROJECT SUPPORT

BIGGEST INLAND LOCKGATES OF EUROPE

BEATRIX LOCKGATES

THE CHALLENGE

Complete Project Management, coordination, and carrying out the complete scope of work. ZPMC supplies the lock gates, and after unloading, STARKON's Project Support Team took over ZPMC's remaining scope of work. The timeline for the project was short to ensure the installation date was met.

THE SOLUTION

STARKON supplied the complete project support package, site equipment, workforce, project management and administration.

THE RESULT

The project was completed within budget and within the given schedule. STARKON'S client, ZPMC, was satisfied with the result.
